RENEWED PETITION TO MAKE SPECIAL  
37 C.F.R. 1.102 and MPEP § 708.02(II)

Sir:

I hereby petition for Advancement of Examination of the above referenced  
application under 37 C.F.R. 1.102 and MPEP 708.02(II).

As the undersigned practitioner, being duly registered to practice before the U.S.  
Patent and Trademark Office, I make the following statements in support of this petition.

I am informed, believe and allege thereon that an infringing device or product is  
actually on the market and/or an infringing method is actually in use (MPEP 708.02(II)(A)).

I have made a rigid comparison of the alleged infringing device, product or method  
with the claims of the application, and in my opinion some of the claims are unquestionably  
infringed (MPEP 708.02(II)(B)).

I have made or caused to be made a careful and thorough search of the prior art  
(MPEP 708.02(II)(C)).

A copy of each of the references deemed most closely related to the subject matter of  
the claimed invention has previously been submitted in case 09/387,747.
